

Year group	4		Learning Overview		Term	I
Maths 	Writing 	RE 	Science 	Geography 		
This term will focus on place value of numbers to 10,000, developing children's understanding of how to represent these numbers. We will continue to practice times tables.	This term, we will be writing a narrative based on our book, Little Red by Bethan Woollvin.	SIKHISM – Our Key Question is 'How does Guru Nanak inspire Sikhs today?' The children will enjoy learning about how Sikhs practise their faith and explore why Guru Nanak is an important figure in this religion.	This term, the children will be learning about Animals including humans. The children will learn about the human digestive system, the types of teeth in humans and construct food chains.	In Geography, we are studying the local area with a focus on how it has changed over time. This unit will explore changes in and around Westbury and help children develop map reading skills.		
Art 	Computing 	PSHE 	Reading 	PE 		
In Art, we will be exploring pattern. We will use folding, cutting and collage to create our own patterns.	In computing this term, we will be learning about e-safety.	In Term I, our unit is 'Me and my relationships'. We will look forward to the year ahead and how we can respect each other. We learn about how we can manage emotions and have positive, healthy relationships.	In our reading lessons this term, we will be studying Holes by Louis Sachar. This is a fictional text about a boy at a juvenile detention centre who digs holes and discovers secrets and treasure.	This term, children will be learning ball skills. Outside the children will build their skills in competitive games by exploring Football.
