Firework Night 2013

On Friday 8th November, WJS had their annual firework display. Callum Adams and Naomi Hams won the 'Make a Guy' competition and it was sat proudly on top of our bonfire. It was lovely to see so many people from the community attend to enjoy the fireworks, rides and food and we managed to raise over £1300! Thank you to all helpers from school and the PTA.

WJS Charity Events

We had an extended lunchtime on Friday 15th November to allow children to run their various fundraising events. Altogether, we raised over £420 which will be sent to Children in Need and the Philippines' appeal.

Pantomime

WJS welcomed a theatre group into school on 28th November and the whole school enjoyed a performance of 'Jack and the Beanstalk'. Many thanks for your donations towards this

Christmas Bazaar

We will be holding our annual Christmas Bazaar Saturday 7th December. On Friday 6th December, WJS will have a non-school uniform day and we ask you to send in an item for the bazaar as 'payment'. We are looking for: toys, Christmas goodies, toiletries, food items, alcohol and raffle items. We hope to see you there!

Year 6 Maths Event

On Monday 25th November, our year 6 children were lucky enough to be involved in a fun maths event at Matravers school. They were joined by all other year 6 children in the Westbury area and were tasked to make a Christmas decoration out of a net of a tetrahedron. They also had to calculate the cost to produce it and the profit they would make. Winners from each school were chosen and then an overall winner was selected...it was WJS! Well done to everyone!

Westbury Christmas Lights

Westbury switched on their Christmas lights on November 22nd and WJS' ukulele band performed several Christmas tunes. We also had Erin C, Maisie L, Keenan F, Jodie A, Kasey B and Chloe M from Year 6 dressed as elves helping Santa. A big thank you to all of those representing our school.

School Day Timings

The school gates will now be opening at 8:40am to allow the children to be in their classrooms to start work by 8:45am.
